

Tube Slats®

Limited 30-Year Warranty

Slat Warehouse warrants on a pro-rated basis the **Tube Slats®** product to the original consumer, to be free from manufacturing defects. This warranty is in force only under the following conditions:

1. Purchased and installed within the US and Canada
2. The product is correctly installed in the appropriate chain link fence system to withstand the added wind resistance caused by the **Tube Slats®** product.
3. The product warranty is registered through the Slat Warehouse website www.slatwarehouse.com, by the end user within 60 days of installation. The warranty registration must be complete and include a clear photograph of the original receipt and/or at least one of the product package labels.

This warranty does not cover:

1. Damage due to improper or incomplete installation
2. Damage or failure of product due to impact, misuse, insufficient chain link structure, fire or other casualty including, but not limited to, acts of God, exposure to environmental pollutants or chemicals, or failure to properly maintain the integrity of the product.
3. The natural shift of color intensity with exposure to ultra-violet rays, inherent with all polymer materials.

The pro-rated schedule of reimbursement adjustment is as follows:
